THE WHITE HOUSE  
WASHINGTON

December 19, 1972

MEMORANDUM FOR: THE HONORABLE  
RICHARD HELMS  
Director, Central Intelligence Agency

FROM: PETER M. FLANIGAN 

SUBJECT: The President's Annual International  
Economic Report

The Council on International Economic Policy's legislative mandate requires that the President transmit to Congress, no later than 60 days after it reconvenes, an annual report on the international economic position of the United States. We shall be unable to meet this deadline using Government Printing Office (GPO) facilities. I would, therefore, appreciate the Agency's assistance, as discussed informally with the Office of Economic Research (OER), in printing a limited number of copies of the report for members of Congress and the Administration. A public edition will be printed and distributed by the GPO at a later date.
